

## Open Spiritual Channels Course Fact Sheet

The Open Spiritual Channels course is designed to expand your spiritual communication potentials and abilities. You will learn sacred soul communication wisdom, knowledge, and practices of Master Zhi Gang Sha on how to open and develop two of the major spiritual channels: Soul Language and Third Eye.

You will learn the potential of your soul communication abilities and how they can be applied in your daily life. In this intermediate course, you will discover:

- How to speak Soul Language, translate Soul Language, and communicate with the Soul World
- How to do soul communication and receive spiritual messages directly from your soul and your spiritual team.
- Methods to open and develop your Third Eye spiritual vision abilities

The benefits of opening your spiritual channels are beyond comprehension for transforming your health, relationships, finance, business, intelligence, and spiritual journey.

Designated Certified Master Teachers of the Tao Academy™ will lead you through this course and share with you their wisdom, experience and guidance. You will learn the necessary soul wisdom, knowledge, and practical techniques to do Soul Communication for yourself.

Note: This course is to develop your personal abilities. It is a prerequisite for the Tao Soul Communicator Certification Training Program where you can increase your accuracy and depth to a very high level and become a professional Soul Communicator to offer life guidance soul readings to others.
